Message from Sea Explorers

Dear Divers, Partners and Friends of Sea Explorers

Thanks to you Sea Explorers can look back on a successful year with lots of happenings and events. Thank you very much for your loyalty and support over the past years. Already today we are looking forward to all the new challenges and experiences next year.

By the end of 2011 the Sea Explorers team has to say good-bye to Martin Nussbaumer, long-time Sea Explorers co-owner and Manager of Cebu office as he is looking for a career change. During the past 11 years Martin and his wife Flor contributed a lot to the successful build up and operation of the company. We all, and certainly the ones of you who met Martin personally, will miss his open, friendly and entertaining nature as well as his professional manners. Thank you very much Martin and Flor for all your support over the years. We wish you all the best for your future.

His successor as Manager Cebu office is Pascale Meyner, who is on duty since October. She has settled quickly and well in her new position and the new environment, where she can add her wide expertise and diving experience. At this point we would like to welcome Pascale again warmly in the Sea Explorers team.

We wish all of you Merry Christmas and a happy New Year.

Your Sea Explorers Philippines Team
