**IDC Courses 2011**

Go professional and register for a PADI IDC course with Camille and Chris in our PADI Career Development Center in Dauin/Dumaguete. Start of the next planned IDC courses are as following:

- October 20, 2011
- December 1, 2011

**Beach at Cabilao Beach Club**

Since several weeks the big passenger ferries don’t pass anymore right in front of Cabilao Beach Club. This has positive effects on the surroundings. On the one hand the resort is now even more quiet and on the other hand the sand of the beach is not being swept away anymore by the waves caused by the ferries. A beautiful sandy beach is developing.
