

# Many of you have asked how you can help, so we have started a fundraiser.

Aside from our shareholders' personal contributions, Sea Explorers itself has given financial aid to our team. With our online fundraising efforts, you can contribute, too. This month, we distributed the first batch of emergency help from the fundraiser.

# Your generosity keeps our people going.

With your heartfelt donations, we can continue to help all of our employees during the difficult months ahead. We will continue to share updates on how the funds we raise will be distributed to our team.

Merci

Gracias

# Donate & Dive

Buy a few dives,  
support a few lives.
